STANFORD, KY., TUESDAY, JULY 7, 1908.

NO. 36.

John Robinson's Big Circus will exhibit at Danville, July 18. Indications are that a large crowd will attend from here. Very low excursion rates on all railroads. The Show under the management of John Robinson is enjoying its 87th year of prosperity, and is one of the foremost amusement attractions of America, if not of the world. It numbers among its arena favorites some of the most expensive and best acts that money can procure. The Capt. French troupe of American Cavalrymen, in expert feats of daring and original horsemanship; James Dutton & Co. (three in number) Europe's greatest riders, and 20 equestrians associates; 40 joyous subjects of King Momus in a gleeful sufficiency, and more than a hundred other foreign and American features in three rings and an elevated stage, and introducing Monster Herd of Trained Elephants, Big Realistic Wild West School of Wonderful Trained Menage Horses, Great Musical Ballet, and 300 Daring Gymnasts, Nimble Acrobats and talented acrobats. The Robinson show has always been famed for its menagerie, and this season finds the zoological annex the most complete ever carried by a tented show, comprising costly and rare animals from every section of the globe. This splendid array of animal talent will be seen in the big daily street Parade, pronounced by all as the most gorgeous and elaborate pageant of modern times, comprising more than a mile of gold encased wagons, chariots and 500 of the finest horses. This is the only big show that is not in the circus trust and no advance in the prices will be made. At Danville July 18.

Heat prostrates the nerves. In the summer one needs a tonic to offset the customary hot weather Nerve and Strength depression. You will feel better within 48 hours after beginning to take such a remedy as Dr. Shoop's Restorative. Its prompt action in restoring the weakened nerves is surprising. Of course you won't get entirely strong in a few days, but each day you can actually feel the improvement. That tired, lifeless, spiritless feeling will quickly depart when using the Restorative. Dr. Shoop's Restorative will sharpen a failing appetite; it aids digestion; it will strengthen the weakened kidneys and heart by simply rebuilding the worn-out nerves that these organs depend upon. Test it a few days and be convinced. Sold by Penny's Drug Store.

"Look, here, Abraham," said the judge, "it has been proven right here in court that instead of doing something to help support your wife and children, you spend your whole time hunting 'possum'!"

The old Negro hung his head.

"Now, Abe, you love your wife, don't you?"

"Ah suttinly does!"

"And your children?"

"Yes, suh!"

"And you love them both better—"

"Better ev'ry day, judge," Abe broke in.

"—better than a thousand 'possum'!"

"Look hayh, judge," exclaimed Abe, with widening eyes, "dat's taking a pow'ful disadvantage!"

"Health Coffee" is really the closest Coffee imitation ever yet produced. This clever Coffee Substitute was recently produced by Dr. Shoop of Racine, Wis. Not a grain of real coffee in it either. Dr. Shoop's Health Coffee is made from pure toasted grains, with malt, nuts, etc. Really it would fool an expert—whomight drink it for Coffee. No. 20 or 30 minutes tedious boiling "Made in a minute" says the doctor. Sold by Penny's Drug Store.

As the result of a drunken quarrel over a bottle of beer on the Lexington & Eastern train near Clay City, Gardner Nelson, of Winchester, Floyd Horton, of Clark County, participants in the fight, and Millard Dennis, of Winchester, a passenger on the train, are at the Good Samaritan Hospital in Lexington, in a critical condition.

Rev. I. W. Williams Testifies.

Rev. I. W. Williams, Huntington, W. Va., testifies as follows: "This is to certify that I used Foley's Kidney Remedy for nervous exhaustion and kidney trouble, and am free to say that Foley's Kidney Remedy will do all that you claim for it. Penny's Drug Store."

HAMILTON-LARUE.—At 2 o'clock Saturday afternoon at the handsome home of Col. W. H. Dudderar at Rowland Mrs. Bettie Hamilton and Mr. J. Frank Larue were married by Rev. R. B. Mahony. The bride wore a traveling suit which was exceedingly becoming and after the ceremony and congratulations were over Mr. Larue and his handsome bride took the train for their home in Louisville. The two have been the best of friends for some time and the announcement of their marriage Saturday was not a surprise to those who had watched the trend of affairs. Mr. Larue is a passenger engineer on this division and is in fine circumstances, owning a pretty home at 1509 W. Broadway and other valuable property. His bride is an excellent woman and is liked by all who know her. Only a few intimate friends and close relatives witnessed the ceremony.

Elizabeth's mother did not teach her little daughter much that she should have learned about religion, nor did the father.

The other day a guest said to the little girl: "Elizabeth, does your father say grace at the table?"

"What grace?" returned the girl innocently.

"Why, thanks for what you have to eat."

"Oh," replied Elizabeth, now enlightened. "We don't have to thank anyone for what we have—we always pay cash."—Philadelphia Ledger.

Pain will depart in exactly 20 minutes if one of Dr. Shoop's Pink Pain Tablets is taken. Pain anywhere, Remember! Pain always means congestion, blood pressure—nothing else. Headache is blood pressure; toothache is blood pressure on the sensitive nerve. Dr. Shoop's Headache Tablets—also called Pink Pain Tablets—quickly and safely coax this blood pressure away from the pain centers. Painful periods with women get instant relief. 20 Tablets 25c. Sold by Penny's Drug Store.

DEMOCRATIC TICKET.

HARVEY HELM

of Lincoln county.

A SKY-SCRAPER to dwarf the Eiffel Tower is to be built in New York. The projected building will be a 62-story structure, 909 feet from the curb to the tip of the tower, upon which will be placed a flagpole 150 feet. The ball on the flagpole will be 74 feet higher than the 985-foot steel Eiffel Tower. The main building, which will occupy the site of the present structure of the company, on lower Broadway, covering an entire block, will be 34 stories, above which will rise a square tower of 28 stories, capped with a cupola. They do things in New York.

The ending of the fiscal year shows that the Roosevelt administration has achieved a deficit of \$60,000,000. The receipts for the year as compared with the previous year have fallen off \$64,000,000; expenditures have increased \$80,000,000, being even greater than during the Spanish war. The necessity for a change in the political complexion of the administration of National affairs grows daily more apparent. With heavy taxes and a growing deficit, there is something radically wrong.

HON. HENRY WATTERSON's gallant fight for Bryan would be far more appreciated were it not for the fact that Mr. Watterson and his Courier-Journal have done more to hurt democracy in the past 15 years than many other of the harmful influences combined. The C. J. will not cause Kentucky to go democratic this Fall but Bryan and whoever is his running mate will carry the good State in spite of that paper's support.

SNOWBALLS wrapped in tinfoil and packed in tiny wooden boxes are to be brought down from the summit of Mount McClelland and distributed among the delegates and visitors to the Denver convention. Piles of the boxes will be stacked at information bureaus and in a number of hotels. Each box will bear the inscription: "A real snowball from the summit of Mount McClelland."

IT will be Bryan and Gray if Judge Gray will just say the word. We would prefer Bryan and Johnson or Bryan and Chanler. However, we beggars must not be choosers, but we desire to make it known that we draw the line on bolters and hope the Denver convention will not consider the claims of any of the measly things.

THE managers of Judge George Gray, of Delaware, Saturday issued an open letter to the delegates to the Democratic convention, in which they suggest that the ticket be Gray and Bryan, arguing that the combination would be stronger than Bryan and Gray.

THE Courier-Journal of Sunday contained neither a whisky editorial nor an effusion by Ex-Gov. Peck on prohibition's failure to prohibit. That paper is neglecting the whisky interests and needs a jogging up by the whisky and brewery trusts.

JUDGE ALTON B. PARKER, in an interview at Denver, practically conceded W. J. Bryan's nomination for the presidency, and announced that the Nebraskan would have his hearty support.

W. REED EMBRY has sold his interest in the Danville Advocate to John S. VanWinkle and will quit the newspaper business. This will not be good news to his large circle of friends.

HERMAN RIDDER, editor of the Staats Zeitung, of New York, is said to be the man favored by Mr. Bryan for the Vice presidency. Though Mr. Ridder is strongly opposed to Bryan's nomination, and has gone to Denver to work against the Nebraskan, he has announced his intention of supporting Mr. Bryan after the nomination is made. Mr. Ridder was a strong "gold standard Democrat," and this is one of the reasons why Mr. Bryan is said to favor his nomination for second place.

THE statement is made that William Howard Taft is a private citizen for the first time in 22 years. He has a mighty good show to remain a private citizen the balance of his time. Bryan is going to win the presidency and the only show for the big ex-Secretary is to get a job under civil service rule.

News comes that George W. Vanderbilt is in hard lines and that the palatial Biltmore House near Asheville, N. C., is to be closed for a year. With the Vanderbilts short on cash, how can common, every day people be expected to eke out an existence?

POLITICAL.

At mass-meetings held at Manila and other points in the Philippines, a petition asking free trade with the United States was ratified.

Ollie James called at Mr. Bryan's country home on his way to Denver. He talked over his speech seconding the nomination, with Mr. Bryan.

Tammany Hall celebrated Independence day as usual. Letters were read from Mr. Bryan and Gov. Johnson regretting their inability to attend.

In a speech at Lincoln to the Pennsylvania delegation, en route to Denver, Mr. Bryan scored National Committeeman Guffey, of Pennsylvania.

Col. John M. Guffey, of Pennsylvania, issued a statement in reply to Mr. Bryan's speech to a portion of the Pennsylvania delegation at Lincoln. Col. Guffey denies that there was a conspiracy against Mr. Bryan.

Herman Ridder, editor of the New York Staats Zeitung, was a visitor at Bryan's home at Fairview. He asked Mr. Bryan to decline the nomination. He pledged his support to Mr. Bryan, however, in the event of his nomination.

Senator Murray Crane, of Massachusetts, has refused to accept the chairmanship of the Republican National Committee. He is not a strong supporter of Judge Taft, and pleaded ill health when asked to manage the campaign.

In a speech at a banquet given in Lincoln by the Nebraska Traveling Men's Bryan Club in honor of Mr. Bryan, the Nebraskan stated that if the democratic convention did not incorporate in the platform a specific and plain campaign publicity resolution they must look elsewhere than Nebraska for a candidate.

The "allies" who are seeking to organize opposition to Mr. Bryan are not meeting with much success at Denver. The New York delegation is going to leave its attitude on all questions to a subcommittee favorable to Murphy's wishes. It is said Mr. Bryan prefers that no choice be made for Vice President until the head of the ticket is named by the Democratic National Convention.

A Word From Mrs. Herrin.

At my request Mr. Robert H. Coffey has been appointed jailer of Lincoln county to fill the vacancy caused by my husband's death. His tenure under the appointment can only last until November, when some one must be elected to fill out the remainder of the term.

Mr. Coffey has very kindly agreed that I may attend to the duties of the office under his supervision, with the assistance of a competent deputy to be approved by him and the county court, and that all of the fees and salary shall go to me. He has also consented to become a candidate for the unexpired term on the same conditions, subject to the will of the democracy. I trust that I am not asking too much of the good people of Lincoln county when I request them in this way to give me the benefit of the fragment of the term to which my husband was elected.

I am sure that I can properly attend to the office and will do so if I am given the opportunity. My husband's long illness caused me to obtain by actual experience familiarity with its duties, and also created a large amount of indebtedness that I can settle out of the emoluments if Mr. Coffey is elected. Respectfully,

MRS. AGNES S. HERRIN.

Cough Caution

Never, positively never poison your lungs. If you cough—even from a simple cold—your lungs are always inflamed, and need the immediate relief of a cough remedy. Don't blindly suppress it with a suppressing poison. It's strange how some things finally come about. For twenty years Dr. Shoop has constantly warned people not to take cough mixtures or prescriptions containing Opium, Chloroform, or similar poisons. And now—a little late though—Congress says "Put it on the label. If poisons are in your Cough Mixture, Good! Very good! Hereafter for this very reason, mothers, and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's label—and none in the medicine, else it must be law to be on the label. And it's not only law, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chance. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and note the difference. No poison marks there! You can always be on the safe side by demanding

QUICK SETTLEMENT. -My barn which burned June 21st was insured in the Continental through R. B. Mahoney, of Stanford. The adjuster came Friday, 21st, and gave me a draft for the full amount without a cent discount. Mr. Coffey will be jailer in name only, as the business will be under the watchcare of Mrs. Herrin, widow of the deceased jailer, and her son, Mr. Vic Owens. The appointment is entirely satisfactory to the public, which was desirous that Mr. Herrin's family should have the proceeds of the office. Mr. Coffey, who is one of Geo. L. Penny's clever drug clerks, will assist Mrs. Herrin when his services are desired, but his being jailer will not interfere with his present position.

JOSEPH HOLMAN, of Birmingham, who is spending a few weeks at Crab Orchard, is pitching for the ball club at that place and is doing good work. Saturday the Crab Orchard team defeated Gum Sulphur 24 to 0 and immediately afterward wiped up the Rag Alleys, another East End nine, by a score of 11 to 1. Mr. Holman will pitch for the C. KILLING IN BOYLE. -Rolla Davis, one of the most prominent farmers of Boyle county, was killed in a fight following an altercation which arose during the progress of a ball game at Perryville Saturday. A general fight followed, in which Davis was struck on the head with a base ball bat. His skull was fractured and he died. The Wheat boys have been arrested. They are sons of Richard Wheat and are well known.

GET ready for the Crab Orchard fair next week.

NINE "doless" Negroes were jailed for vagrancy the other day. Two others promised to leave town or go to work. Let the good work continue but don't let the color line cut any figure. A white vagrant is equally as bad as a black vagrant.

ATTENTION. -It is with pleasure that we recommend the Home Insurance Co., of New York, to my neighbors and friends. We lost our dwelling and contents by fire, holding a policy of \$2,500 in the Home Insurance Co.; our loss was adjusted liberally and promptly. So we recommend the Home Insurance Co., of New York, and Jesse D. Wearen, the insurance man, Stanford, Ky., for liberal and prompt settlement of losses. Very truly, Tavia Carter, Wm. Carter, Parkville, Ky., June 22, 1908.

J. T. EMBRY and J. C. Reid had a valuable brood mare to die last week. The animal had been shipped from Lexington and with her colt had been put in a close box car. The train was laid out and the animals were kept in the "hot box" for 21 hours. The mare was about parched when she was given her freedom and died a short while later. The colt was damaged to some extent but it will likely get well. The mare was a thoroughbred and a great breeder. She was by Kingston, second dam by Hindoo. One of her colts started 21 times last year and won 19 races. The colt by her side is by Ornament and the mare had been bred back to that great racer. Messrs. Embry and Reid valued the mare at \$3,000 and if the railroad company does not settle satisfactorily with them for her, suit will be filed.

The Remedy That Does.

"Dr. King's New Discovery is the remedy that does the healing others promise but fail to perform," says Mrs. E. K. Pierson, of Auburn Centre, Pa. "It is curing me of throat and lung trouble of long standing, that other treatments relieved only temporarily. New Discovery is doing me so much good that I feel confident its continued use for a reasonable length of time will restore me to perfect health." This renowned cough and cold remedy and throat and lung healer is sold at Penny's Drug Store, 50c and \$1. Trial bottle free.

On Thursday Georgia populists will hold their State convention in Atlanta. It is not expected that a State ticket will be named. The feature of the convention will be the formal notification to Thomas E. Watson of his nomination on the populist ticket for president of the United States, and his speech of acceptance.

A Revelation.

It is a revelation to people, the severe cases of lung trouble that have been cured by Foley's Honey and Tar. It not only stops the cough but heals and strengthens the lungs. L. M. Ruggles, Reasnor, Iowa, writes: "The doctors said I had consumption, and I got no better until I took Foley's Honey and Tar. It stopped the hemorrhages and pain in my lungs and they are now as sound as a bullet. Penny's Drug Store."

The nine balloons that started in a race at Chicago on the afternoon of July 4, have come to earth. Several of them were tossed about on Lake Michigan, and their occupants narrowly escaped. Some of the balloons landed in Canada.

A GOOD FARM FOR SALE!

I will sell privately my farm of 120 acres, two miles from Stanford, on Danville pike; good brick residence; two good barns; two well-watered pastures; and a large pond; watered more than half in grass. Terms easy. Will give possession in October. If not sold by October will offer to highest bidder. J. H. BAUGHMAN, Stanford, Ky.

Season of 1908.

SAMPSON.

This young jack will make this season at my place, five miles S. H. Baughman farm, 1/2 mile south of Stanford on the Somerset pike, at \$10 to insure more colts and \$5 to insure more mares. Sired by Champion, a great breeding jack. All of his last year's colts were extra. I showed two of them at Stanford, Lancaster and Danville fairs and won first and second premiums in each class of 6 to 10 years at all three fairs; also won 1st in the sweepstakes at Lancaster, the only fair that gave a sweepstakes. Eight of his last year's colts and four of his last year's mares are now on my farm to show for themselves. I will appreciate any mares sent to him and feel sure you will not regret sending.

J. H. BAUGHMAN, Stanford, Ky.

Phone 26.

PEYTON.

My fine mule jack, will make the present season at Moreland, Ky., at \$10 to insure a living colt. He is a sure foot getter and I consider him an extra good mule jack. His mules round up, when mixed, right at 15 hands high. Also a fine black jack.

My Wilkes horse,

Independence Chief,

will serve a limited number of mares at \$10 to insure a living colt. He is a sure foot getter and I consider him an extra good mule jack. His mules round up, when mixed, right at 15 hands high. Also a fine black jack.

My Wilkes horse,

Lincoln Squirrel.

Red bay, 6-year-old, black points, 16 hands high, full made, heavy mane and tail, good bone, splendid neck and fine neck, well built, intelligent, a good, steady, and a true bred horse, but I use him only in harness and a more perfect harness horse I have never seen; can step very fast with extreme high action all around and I think him to be one of the best stallions in the State to breed to, to get good high-class, walk-trot and business horses that will bring you fancy prices.

He has some yearling and two-year-old colts that I have bred to see.

Progeny.—Lincoln Squirrel was sired by Marion Squirrel, 98, he by Black Squirrel, 158, he by Black Eagle, 74, he by King William, 67, Marion Squirrel's 1st dam by Green Mount, 2nd dam by Hughes Edwin
